## On tour in Portugal: Jonathan Auerbach

Jonathan Auerbach is on his way to Portugal on a 15+ show acoustic tour. Auerbach will be hitting some of the best clubs and spots during his 1 month stint including targeted gigs on the Island of Madeira and a finale at Lisbon's Hard Rock Cafe. Let's just say this is a tune up for Jonathan and his upcoming album that he will probably be unveiling for folks over in Portugal. Too bad we all don't have plane tickets over there!
